

Editor's plan for *Nordisk Pedagogik* (Nordic Educational Research) Vol 26

The premisses for publishing *Nordisk Pedagogik* will in principle remain the same as for previous volumes: Subsidiced by NOS-HS, Universitetsforlag in Oslo will publish and distribute the journal, and the Department of Education, Göteborg University, continue to house the activities of editor in cheif.

A certain attention will during the year be given the communication between the authors and the journal.

Contents of Volume 26

One special issue is planned for Vol. 26: "Dominerende diskurser i talen om professioner" (eds. Lejf Moos and John Krejsler).
