

## The Board's plan for 2005

The board will continue as usual to work with NERA's/NFP's main tasks: the yearly congress, the journal, and the networks, within the overall aim of developing educational research in the Nordic countries.

The board will pay special attention to:

1. *Members:*  
Increasing the number of members.
2. *Networks:*  
Further developing the networks and paying special attention to the involvement of young researchers in NERA.
3. *Web-site:*  
Developing the web-site and finding means for continuous updating and further elaboration
4. *Policy for the future:*  
Continue the efforts to work out a policy for the future of the association in relation to new conditions, particularly concerning publication and economy
5. *European database:*  
Establishing a European database on research dissemination in association with EERA.
